

GETTING TO Lincoln Sudbury Regional High School, which is at 390 Lincoln Rd, in Sudbury. Note that it is half-way between Sudbury Center (Rt 27) and Route 117.

The entrance is on Lincoln Rd

PARKING:

Enter at “Main Entrance” on Lincoln Road. Do not turn in to the front of the main building (except for handicapped parking - see page 4), as you will have to exit back to Lincoln Road in order to get to the parking area. Parking is where the solar panels are. Try to get as close to the building as you can - there is an area where you can park facing the building, no longer under the solar panels!

The building entrance is at the connector between the “A” Building and the “B” Building (see arrow). Walk down the sidewalk toward the building and enter the glass door.

Here is the outside of the building from the parking lot, showing you where to enter.

Now, a closeup of the entrance:

When you enter, turn left around the staircase, and come along until it dead-ends after a staircase on the right (if you look up over the staircase, you see the horse skeleton hanging there!). The band room, A214, is straight ahead, door on the right, as you pass the staircase; A-220 (choral room for strings) is down the hall on the left.

REST ROOMS are on either side of the elevator, which is opposite the staircase.

CLOSER PARKING FOR HANDICAPPED OR STRUGGLING WALKERS...

Pull in the driveway closer to Concord Road, and pull in to the area in front of the main doors of the building (there is a rounded wall that says, "Lincoln Sudbury Regional High School"). See the area in the yellow circle on the map below, where it says, "HP entrance"

There is handicapped or visitor parking there.

Come in the front door on the left (door 2).

Walk straight ahead until you see the horse skeleton over the staircase. Either come down the stairs, or look opposite to the stairs to find the elevator and come down one floor.

Room A-214 (band room) is straight ahead as you come down the stairs, or to the left as you get off the elevator. A-220 (choral room for strings) is down the hall on the left from the band room.

(REST ROOMS are on either side of the elevator.)
