Sudbury Valley New Horizons Music SUMMER BAND

Who, When, What, Where and other details

WHO: Anyone who plays a concert band instrument, SVers and friends/family. People new to the group need to be pretty quick at learning music, as we have only 5 rehearsals.

WHEN: Rehearsals: June 12, 19, 26, July 3, 10, 6:45-8:00 PM.

Gig: Thursday, July 11 - Wayland COA summer concert series, 6:30 call for 7:00 outdoor concert behind the Wayland Town Building. The strings will NOT be playing with us for this concert; they have their own program this summer -- they will be at First Parish at the same time as the band is rehearsing.

WHAT: Summer Band: 5 rehearsals and a performance (6 sessions). Most rehearsals and the concert will be outdoors (shade available). If it rains, we can come indoors.

MUSIC We will be playing 9 or 10 pieces for our outdoor concert on July 11th, to be chosen from the following (all are fairly easy):

- ♪ Windsong (from Fall 2023)
- ♪ Pavane (from Spring session 2023)
- ♪ American Folk Song Celebration
- ♪ Sound of Music (Fall 2023)
- ♪ Scarborough Fantasy
- ♪ Take Five
- ♪ Take Me Out to the Ball Game (permanent folder)
- ♪ Cantina Band (new, from Star Wars movies)
- ♪ Fairest of the Fair (newish, Sousa march - we played in 2012)
- ♪ Linden Lea (from Spring 2023)
- ♪ Greasy Kid's Stuff (permanent folder)

If you are missing music, email Diane with your needs (Fairest of the Fair, Cantina and Greasy Kid's Stuff will be sent out in the next few weeks).

Soundfiles will be on the SV website hopefully sometime soon!

-OVER-

WHERE: **Band rehearsals** are in the side parking lot at First Parish Wayland (same space as last year). First Parish Wayland is opposite the Wayland Town Building, on the corner of Route 20 and Routes 27/126. Park in the parking lot at the end of the building, furthest from Route 20. If you have a physical issue and need to park close to the rehearsal space, there are spaces close up. Let me know if you need one.

Rehearsals will be in the paved area between the church and the carriage houses. It is flat and is be pretty well shaded by 6:30. AND... because we are not in the grass and there is mostly pavement around us, the mosquitoes are essentially non-existent! The acoustics are quite good and we ended up enjoying the space during the last few summers. IF IT RAINS, we can move indoors. :-)

BRING A MUSIC STAND. Chairs provided.

July 11 gig is at the Town Building across the street. Details to follow
