Sudbury Valley New Horizons Music SUMMER STRINGS

Who, When, What, Where and other details

WHO: Anyone who plays an orchestral string instrument, SVers and friends/family.

WHEN: Rehearsals: June 14, 21, 28, July 5, 12, 6:45–8:00 PM.

Gig: NONE. This summer session is just to enjoy making music together!!

WHAT: Summer Strings: 5 rehearsals. Oliver is working with you this summer and says: "So, this summer, we'll be taking a different approach! Instead of working toward a performance, which would mean focusing on one or two pieces, we'll be simply aiming to read through a wide variety of music, from classical, to folk, to movie music! While a performance at the end can be a powerful motivator, it can also cause a fair amount of stress, and place the focus on the singular concert, rather than on the sheer enjoyment of playing. So, each week we'll have a few pieces to work through, and see if we want to revisit any for the following week. Practicing is surely encouraged, but we're just looking to have a nice laid-back time making music together!"

MUSIC may be sent ahead of time or passed out at the rehearsals.

WHERE: First Parish Wayland, which is the big white church on the corner of Route 20 and Routes 27/126. Park in the parking at the end of the church, furthest from Route 20. (The band will be rehearsing in the side parking lot). Enter via the door in the area where the band is located. Your rehearsal space is indoors in the Stokey Library. **BRING A MUSIC STAND.**
